Deputy Commissioners Office
Mysore District
Dated Mysore 15th May 1900.

To,

The Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

With reference to Government Proceedings No 94-95 D.C. dated the 4th May 1900 regarding arrangements to be made on the occasion of the approaching marriages of His Highness the Maharaja and of the Third Princess, I have the honor to state that active steps are being taken to give effect to the orders therein contained. A list of non-official members who have been invited to help and co-operate with the executive is herewith submitted. + 81 of this file

2. The Sum of Rs 10,000/- voted by the Municipal Board has been distributed as follows:-

1. Pendals and arches . . Rs 2000

Carried over Rs 2000

Brought forward Rs 2000/-

2. Conservancy (Cost of extra carts, for watering the roads, as also of hand carts for removal of night soil will have to be met from this amount. } " 2000/-

3. Venetian posts, flags and Torananas " 2000/-

4. Illumination charges including purchase and repair of new and old — Lanternots. } " 4500/-

5. Basket and miscellaneous charges " 500/-

Total Rs — 11,000/-

3. The items shown above indicate the details of expenditure absolutely necessary. I therefore to request that the Government will be pleased to sanction the extra grant of Rs 1000/- either — from the municipal or Provincial funds.

4. In para 2 of the Government order above cited Sanction is accorded for Rs 10,000/- — Rs 4000/- for feeding all classes of the poor and distribution of cloths and Rs 6000/- for dinners to persons of all classes other than Brahmins to be specially invited for the purpose; but a reference to previous account of expenditure under these heads on

the occasion of Princess Jayalakshmamma-
-nneeyavaru's marriage shows that a sum
of Rs 13,529 has been spent. A comparative
Statement showing the expenditure under the above
items on the occasion of the 1st and 2nd Princesses
marriages is enclosed.

5. Now that the prices of food grains &c
have risen considerably, the Sum allotted is
utterly insufficient even if the feeding of the poor
and the Cost of dinners for the invited be only
for a day. Probably Rs 13500/- will be required
for the latter for one day. If it is intended that
the poor people both of the City and the outside
are to be fed for a period of 6 days i.e. from
the 7th upto the procession day a Sum of Rupees
15,000/- at the lowest will be necessary. This item
does not include the Cost of clothing which alone,
during the marriage of the 1st Princess, amounted
to Rs 16,00/- odd. An estimate of the probable
amount required under the various heads is
herewith submitted for such orders as the Govt
may be pleased to pass at an early date.

I.

I have the honor to be,

Sir,

Your most obedient servant.
